

Assistant Professor of Obstetrics & Gynaecology (Unit-II)

Dr. Iftikhar Sadique

MBBS, FCPS

Dr. Iftikhar Sadique, MBBS FCPS has fellowship in Obstetrics and Gynecology obtained from College of Physicians and Surgeons of Pakistan in 1998. Dr. Iftikhar Sadique is an expert in the diagnosis and treatment of infertility, including intrauterine insemination (IUI), In-vivo fertilization (IVF) and intra-cytoplasmic sperm injection (ICSI).

His special area of interest is Polycystic Ovarian disease and its role in infertility, endometriosis and Recurrent Miscarriages. He has performed more than 1000 cycles of IVF-ICSI. In addition to his extensive experience in clinical practice, he wrote many papers published in different journals. He delivered lectures, arranged workshops and presented papers in local as well as in international conferences.

Dr. Iftikhar Sadique graduated from the Quaid-e-Azam medical college Bahawalpur, Pakistan in 1986. After graduation, he did his training in many hospitals in Pakistan but stayed at Lady Willington Hospital Lahore for almost ten years. After completing training and fellowship in 1998, he worked as Senior Registrar and Assistant Professor in the same hospital for three years. Thereafter he worked in Saudi Arabia and UK and got training in infertility. He took advanced training in infertility and ART at CREST institute, University of Singapore.

Dr. Iftikhar has served as a faculty member at three medical colleges: King Edward Medical College Lahore, Frontier Medical College Abbottabad and Sharif Medical and Dental College Lahore. At present he is working as a consultant of infertility and as a Medical Director of IVF program at Australian Concept Infertility Medical Center Lahore and Assistant Professor at Akhtar Saeed Medical and Dental College.
